### Around the Police Station

As a result of the bloody fracas on board the bark R. P. Rithet last Tuesday a serious charge was placed yesterday against Fred Carlson, the second mate of the vessel. He is accused on the police station blotter of assault with intent to commit murder.

Carlson, it will be remembered, assaulted the first officer, Erickson, injuring him so seriously that he had to be taken to the hospital for repairs. He knocked Erickson out of the chair in unable to defend himself, Carlson, who is much the larger man of the two, kicked him in the face several times, inflicting painful, if not dangerous wounds.

#### A Kakaako Soiree.

There was much joy in Kakaako last night about eight o'clock when the police patrol wagon descended upon that residence section of the city and gathered in six of the prominent citi-

A typical Kakaako soiree was in MAKURA ...... SEPTEMBER 17 MOANA ...... OCTOBER 13 progress a short time before, but the arrival of an unexpected guest rather put a damper upon proceedings and the entertainment, broke up suddenly. Craps was the game at the swell social function which was being pulled off in the Magoon block, famous for so many brilliant entertainments of the same kind. A large and interested crowd was watching the players when Officer Kellett dropped in without being invited and proceeded to take a hand in the game. However, he did not observe the rules of the house, his first move being to dive over the nearest player and grab the stakes and part of the paraphernalia, his entire grab being one ten-cent piece and one dice. Incidentally he grabbed Kealoha Kalani, S. K. Paalua, Norman Frazer, Huli Kaluna, M. M. Oliver and August Rego. Officer Apana also happened along and took a hand. Officers and players adjourned to the police station upon the arrival of the wagon. They were wildly and enthusiastically cheered by the entire assembld population or

> Kakaako as they drove off. Oliver was arrested only last week for shooting craps at the Magoon block. Some of the others also are not strang ers at the police station.

A Sightless Swine.

Nancy Joseph appeared before Judge Andrade yesterday morning to answer to the charge of running a blind pig, but no conclusion was reached by His Honor in the case, his decision being reserved until Monday. Inspector Fennell and a Hawaiian informer were the principal witnesses against the lady, who was defended by Charlie Chillingworth. She affirms her innocence and declares that she refused to bite at the four-bit bait dangled before her by the aforesaid interpreter, who offered her that munificent sum if she would supply him with a bottle or two of Dago red. She says she got the red ink, all right, but paid for it with forty cents that she got from her husband.

John Rodrigues was arrested yesterday and charged by Chief Leal with assault with a deadly weapon.

In 1872 there was a great deal of diarrhoea, dysentery and infantile cholera. It was at this time that Chamberlain's Colie, Cholera and Diarrhoea Remedy was first brought into use. It proved more successful than any other remedy or treatment, and has for thirty-six years maintained that record. Nine Chemists out of ten will recommend it when their opinion is asked, although they have other medicines that pay them a greater profit. For sale by all dealers.
